MedGeneration offers EUR 60 000 to finance your business tours + A full pack of services offered on site

Following the first call launched in December 2014, **19 projects** have already been selected. In line with this successful operation, MedGeneration launches a second call to support more projects and gives you another opportunity to apply. Submit your project before 22 May 2015.

In the framework of the MedGeneration project, funded by the European Union through the ENPI CBC MED programme, ANIMA Investment Network and the project partners launch a call for projects aimed at entrepreneurs from Palestinian, Jordanian and Lebanese Diasporas located in Europe.

You are an entrepreneur from the Lebanese, Jordanian or Palestinian diaspora based in Europe? You hold an economic project in your origin country?

MedGeneration can assist you in this process providing you with an operational and customised support (travels, assistance for feasibility studies, meetings with technical and financial partners and/ or local incubation services). 10 projects per country will be selected to benefit from these services in 2015. Do not miss this opportunity and apply **before 22 May 2015 !**
